ACKNOWLEDGEMENT

The satisfaction and euphoria that accompany the successful completion of any task would be incomplete without mentioning the names of people who made it possible, whose constant guidance and encouragement crowns all efforts with my success. Although a single sentence hardly suffices, I would like to thank almighty god for blessing me with his grace and taking my endeavor to a successful culmination.

I also express my gratitude to **Mr.Nissar Ahmad** and **Mr.Muzamil Rather**, Co-ordinater for providing me with adequate facilities, ways and means by which I was able to complete this project. I express my sincere gratitude to them for their constant support and valuable suggestions without which the successful completion of this project would not have been possible.

I would like to extend my gratitude to all of my friends for their help and support rendered to me in the various phases of this project.
